<u>IN CONSIDERATION OF RECEIVING VILLAGE UTILITY SERVICES, YOU, THE SIGNER, AGREE TO THE FOLLOWING:</u>		
<p>1. All utility bills are due and payable by the 15th of each month. Alleged failure to receive a utility bill will not constitute an excuse for nonpayment. No reduction in late fees or penalty will be made unless the customer can demonstrate, to the satisfaction of the Village, that failing to receive the bill was at the fault of the Village.</p> <p>2. Nonpayment of bills, when due, may result in disconnection of service. The Village of Sugar Grove has the right to discontinue utility services or refuse to furnish the same for nonpayment for any utility bill owed, fraudulent or illegal diversions of services, and for any other reasons allowable by rules and regulations set forth in the Ordinances of the Village of Sugar Grove.</p> <p>3. That in the case where I am purchasing property, an unpaid bill created by the former owner must be paid in full before the utilities will be transferred, and that certain charges, if not paid, can and will be certified to the Fairfield County Auditor for addition to the property tax, which I will have to pay.</p> <p>4. That if I, my spouse, my tenant, or any other member of my household owes the Village of Sugar Grove any past due, delinquent bills of any type, they must be paid in full before any service will be provided. If such service is provided, and it is found out that such bills do exist, service may be disconnected at once, and until the bill has been paid in full.</p> <p><i>I, the undersigned, hereby apply for utility service(s) for the above listed service address, and agree to abide by the rules of the Village of Sugar Grove's Utility Ordinance(s), and fee schedule that is available for review upon request.
